Le catalogue des prix des produits LPP non exposés à la vue du public est mis à votre disposition

L'information sur les prix des produits et des prestations de service porte sur le prix de vente au public entendu toutes taxes comprises. Le prix de vente indiqué ne tient compte ni de l'application des règles de sécurité sociale ni de celle des règles de l'aide sociale, relatives notamment à la prise en charge des frais d'appareils et à la dispense de l'avance des frais.

Dans le cas où le produit ou la prestation est susceptible de faire l'objet d'une prise en charge par les régimes obligatoires de base de sécurité sociale, l'information sur les prix comprend également le tarif de responsabilité et, s'il existe, le code correspondant au produit ou à la prestation dans la liste des produits ou prestations mentionnés à l'article L. 165-1 du code de la sécurité sociale.

Produits et prestations d'aide à la vie

Le vendeur doit vous remettre un devis lorsque le prix TTC est supérieur ou égal à 500€ ou lorsque le prix de la location est supérieur au prix de remboursement de la sécurité sociale ou encore lorsque le produit est réalisé sur mesure.
